PROFESSIONAL PROFILE

I am a young photographer and programming student passionate about technology and software development. Currently, I am studying my degree in computer and administrative systems, focused on programming, development of applications and administration of a company.

WORK EXPERIENCE

JAVA TIMES CAFE

October 2018- June 2019

Working as a barista in java times cafe has been an enriching and fulfilling experience that has allowed me to immerse myself in the world of coffee and customer service. Throughout my time as a barista, I've had the opportunity to develop a wide range of skills, connect with diverse individuals, and contribute to creating memorable moments for coffee enthusiasts. Here's a review of my work experience as a barista: Skill Mastery , costumer interaction, Team Collaboration and Time Management.

Transportes Condesa

January 2020 - April 2022

I had the privilege of working as a Transport Traffic Assistant at Transportes condesa, and it was an incredibly enriching experience. As a key player in the logistics and transportation team, I actively contributed to the efficient movement of goods and services, ensuring timely deliveries and optimal routes for our workers. During my time at Transportes Condesa, I was responsible for a variety of tasks that honed my organizational and problem-solving skills. I collaborated closely with the transportation coordinators to plan and coordinate the movement of shipments, effectively balancing supply and demand.

EDUCATION
